SAFETY & PARTICIPATION WAIVER

Version 4 | Last updated: 8 October 2026

IMPORTANT - THIS WAIVER IS FOR ACTIVITY PARTICIPANTS ONLY. Spectators, accompanying visitors and café-only guests do not need to complete this waiver, but must comply with the Terms & Conditions, venue rules, safety signage and staff instructions.

This single waiver covers your entire visit and any Activity you choose to take part in during that visit, including an Activity joined spontaneously while you are on site. You do not need to complete another waiver if you decide to participate in another Activity later during the same visit.

ONLINE COMPLETION: A new waiver is required for every visit because health, injuries and circumstances can change. Booked participants will receive the waiver link after purchase and reminder emails before their visit. Adult walk-in visitors who decide to participate must complete the waiver before taking part. **UNDER-18 WAIVERS MUST BE COMPLETED ONLINE BEFORE ARRIVAL** by a parent or other person with parental responsibility.

IMPORTANT - PARTICIPATION INVOLVES INHERENT RISK

Battle of Britain Dodgems is an active entertainment venue. Activities may involve moving vehicles, sudden movement and jolts, accidental low-speed vehicle contact, foam projectiles, flashing or strobe lighting, loud sound, smoke/fog effects and visually intensive simulator imagery.

If you participate, you do so voluntarily and at your own risk in relation to the ordinary, foreseeable risks inherent in the Activity that remain despite reasonable safety measures. This does not affect your statutory rights and does not exclude or limit Battle of Britain Dodgems' liability where the law does not allow us to do so, including for death or personal injury caused by our negligence.

1. Definitions

“Activities” means the active entertainment experiences offered at the Premises, whether pre-booked or joined on site, including:

- Dogfight Dodgems with integrated infrared targeting/scoring gameplay;
- Flight Simulator activities;
- Shooting Range / foam-dart / projectile activities; and
- any other active attractions which we make available at the Premises from time to time.

“Company” / “we” / “us” means Battle of Britain Dodgems Limited (company number 15702809), trading as Battle of Britain Dodgems.

“Premises” means the entire venue including all activity areas, arenas, queuing zones, café, spectator areas, walkways and facilities.

“Responsible Adult” means a person aged 18 or over who may supervise an under-18 visitor, accompany a child in a Dogfight Dodgems vehicle where the height rules require it, or accompany a child on the Shooting Range where the height rules require it. A Responsible Adult does not need parental responsibility solely to supervise or accompany a child; parental responsibility is required to complete this waiver for a person under 18.

This waiver applies even if you change your mind and join another Activity while on site. No further waiver is required if you decide to take part in another Activity later during the same visit.

2. Acknowledgement of Risk

I understand that this is an active entertainment venue and that participation involves inherent risks, including those arising from:

- moving vehicles (dodgems);
- accidental low-speed contact between vehicles; deliberate bumping and ramming are prohibited;
- distraction while aiming or interacting with game systems;
- other participants’ behaviour;
- foam-dart projectiles used on the Shooting Range;
- reduced lighting, flashing/strobe effects, loud sound, smoke/fog effects and immersive environments; and
- slips, trips and falls.

I understand these risks may result in:

- bumps, jolts and sudden impacts;
- whiplash-type movement;
- collisions with barriers, scenery or other vehicles;
- being struck by projectiles; and
- minor to serious injury in rare cases.

I understand that participation in the Activities is voluntary and accept that these Activities involve inherent risks that cannot be entirely eliminated even when reasonable safety measures are in place. I understand that this acknowledgement concerns the ordinary and foreseeable risks of the Activities and is not a waiver of rights that cannot legally be waived.

3. Dogfight Dodgems with Integrated Infrared Gameplay

I understand and accept that:

- Deliberate bumping, ramming or intentionally driving into another vehicle is prohibited. Accidental low-speed contact remains a foreseeable part of operating moving vehicles in a shared arena.
- Each vehicle has an integrated infrared targeting/scoring system. Players steer, operate the vehicle controls and engage with the targeting system while other vehicles are moving in the arena.
- This creates a dual-task environment (driving + targeting), which can increase distraction, delay reactions and lead to unintended collisions.
- Other players may focus on gameplay rather than driving, increasing unpredictability.

I agree that:

- I will remain seated correctly at all times;
- I will keep hands, arms, feet and legs safely within the vehicle except where required to operate the controls;
- I will not stand, lean out, twist excessively, interfere with safety equipment or attempt to avoid impact in an unsafe manner;
- I will keep the seatbelt fastened whenever instructed and throughout gameplay;
- I will follow all driving and gameplay instructions;
- I will not deliberately bump or ram another vehicle. Tactical positioning or blocking is permitted only where it does not involve deliberate impact;
- I understand the ordinary, foreseeable risks of combining vehicle movement with interactive gameplay;
- I will comply with the participation requirements below; and
- I will stop participating if instructed to do so by a member of staff.

Dogfight Dodgems participation requirements:

Requirement	Rule
Minimum age	8 years
Minimum height	130 cm
130 cm to under 150 cm	Must ride with one Responsible Adult aged 18 or over. The accompanying adult must retain control of the vehicle foot pedals at all times. The child may operate the steering wheel and infrared equipment where appropriate.
150 cm and above	Must ride alone.
Occupancy	Two adults are not permitted in the same vehicle.
Maximum load	120 kg combined for all occupants together.

4. Shooting Range / Projectile Activities

I understand that foam-dart and projectile activities carry a risk of:

- being struck by darts or objects, including accidental hits to the face or eyes; and
- entering active lanes unexpectedly.

I agree:

- not to enter active firing or target zones unless instructed by staff;
- to wear the required safety glasses while in the active range;
- to follow all range rules and staff instructions;
- not to aim at or deliberately fire at another person; shooting is only towards designated targets;
- to remain behind the designated firing line except when instructed otherwise;
- to keep the blaster pointed safely down range and to stop immediately when instructed; and
- to stop participating if instructed to do so by a member of staff.

Shooting Range participation requirements:

Requirement	Rule
Minimum age	8 years
Minimum height	130 cm

130 cm to under 150 cm	Must participate with one Responsible Adult aged 18 or over.
150 cm and above	May participate without an accompanying Responsible Adult, provided the participant can safely and independently operate the equipment and follow staff instructions.
Maximum capacity	4 participant positions in total at one time. A Responsible Adult accompanying a child counts as one of the four positions.
Safe participation	Staff may refuse or stop participation where a person cannot safely control the equipment, follow instructions or comply with the range rules.

5. Flight Simulator Activities

I understand that the seated Flight Simulator may cause:

- dizziness, nausea or disorientation;
- motion sickness or temporary disorientation; and
- sensitivity to flashing or fast-moving imagery.

I agree to stop immediately if I feel unwell. The minimum age for the Flight Simulator is 12 years.

6. General Conduct & Safety Rules

I agree that I will:

- follow all staff instructions at all times;
- attend and follow safety briefings;
- comply with signage and rules for each Activity;
- not behave recklessly, aggressively or dangerously;
- not run, climb or enter restricted areas;
- not misuse equipment; and
- stop participating immediately if instructed to do so by staff.

I understand that failure to follow rules or staff instructions significantly increases risk and may result in me being refused participation or required to leave the Premises.

7. Health & Suitability to Participate

This section applies whenever I choose to participate in an Activity during this visit. By signing this waiver, I agree that before taking part I will consider my current health, any existing or recent injury, and whether any condition or circumstance could be aggravated by the Activity.

Important conditions and circumstances to consider include, but are not limited to:

- neck, back, spinal, joint or other musculoskeletal problems, or another injury that may be affected by jolts, sudden movement or accidental contact;
- a recent injury, fracture, operation or surgery;
- pregnancy;
- epilepsy, seizures, photosensitivity or another condition affected by flashing/strobe lighting;
- heart or circulatory conditions, significant blood-pressure problems, fainting or loss of consciousness;
- asthma, respiratory conditions or sensitivity to smoke/fog effects;
- dizziness, severe motion sickness, balance problems or a tendency to become disorientated by visually intensive simulator imagery;
- any condition, medication, injury or symptom that could affect alertness, coordination, mobility, strength, safe use of controls or the ability to understand and follow safety instructions; and
- any other medical condition or circumstance that could reasonably be worsened by the movement, sensory effects or physical demands of the Activity.

Having one of the above does not automatically mean that every Activity is unsuitable. However, if any of these applies and I am unsure whether I can participate safely, I will obtain appropriate medical advice before attending or taking part. If I need factual information about an Activity to help me make that decision, I will email info@battleofbritaindodgems.co.uk before my visit. I acknowledge and agree that staff at the Premises cannot provide medical advice or medically clear a participant to take part.

If I, or a child in my care, requires an adjustment because of a disability or accessibility requirement, I will contact the Company in advance where reasonably possible so that it can consider whether a reasonable adjustment can be made safely.

If I choose to participate, I confirm that I will not knowingly conceal or misrepresent an existing injury, medical condition or symptom that I know could materially affect my ability to participate safely or could be aggravated by an Activity. If my health or injury status changes after I sign this waiver and before I participate, I will reconsider my participation and obtain appropriate medical advice where necessary.

8. Alcohol, Drugs & Behaviour

I confirm I will not participate in any Activities under the influence of:

- drugs; or
- any substance that impairs judgment, coordination or the ability to follow safety instructions.

I confirm that I will not consume alcohol before taking part in any Activities during this visit.

If I consume alcohol during my visit, I will not take part in any further Activities afterwards.

I acknowledge and agree that the Company may refuse or stop participation or require me to leave the Premises where reasonably necessary for safety or because of unacceptable conduct.

9. Children & Supervision

If signing for a child, I confirm that:

- I am the child's parent or another person who has parental responsibility for the child;
- I have considered the child's suitability for the Activities they may take part in and I have read the health and suitability requirements in Section 7 on the child's behalf; and
- I will ensure they follow all rules and instructions.

UNDER 18: The waiver must be completed online before arrival by a parent or other person with parental responsibility. The waiver covers the child's entire visit and any Activity the child may choose to take part in during that visit. An adult who is only supervising or accompanying the child - for example a grandparent, family friend, friend's parent, teacher or group leader - cannot sign simply because they have permission to supervise, unless they also hold parental responsibility.

For school or youth-group visits, an individual waiver completed by the appropriate parent or person with parental responsibility must be obtained for each under-18 visitor in advance. A teacher or group leader does not complete one blanket waiver for the group.

Under-18s must be supervised by a Responsible Adult aged 18 or over within the venue. A Responsible Adult may supervise or accompany a child without parental responsibility, but this does not give them authority to sign the child's waiver.

A child who does not meet the stated minimum age or height for an Activity must not participate in that Activity.

10. Personal Responsibility

I accept that:

- participation is voluntary;
- I am responsible for my own actions;
- I must use common sense and follow instructions; and
- where I participate, I take part at my own risk in relation to the ordinary, foreseeable risks inherent in the Activity that remain despite reasonable safety measures.

This acknowledgement does not reduce the Company's duty to take reasonable care or affect any right that cannot legally be excluded.

11. Limitation of Liability

Nothing in this declaration excludes or limits the Company's liability for:

- death or personal injury caused by its negligence;
- fraud or fraudulent misrepresentation; or
- any other liability which cannot lawfully be excluded or limited.

I understand that active entertainment Activities involve inherent risks which cannot be entirely eliminated, even where reasonable safety measures are in place.

Subject to the above, the Company is not responsible for loss, injury or damage to the extent that it is caused by:

- the inherent risks of an Activity;
- the actions of another participant or visitor; or
- my failure to follow venue rules, safety instructions, signage or staff directions.

Nothing in this waiver affects my legal rights.

12. Removal & Refusal

The Company may:

- refuse entry;
- refuse or stop participation; and
- require a person to leave the Premises

where reasonably necessary for safety, eligibility, serious misconduct, failure to follow instructions or breach of venue/activity rules.

13. Declaration

I confirm that:

- I have read and understood this waiver;
- I understand the ordinary, foreseeable risks of the Activities that apply to me, including Dogfight vehicle movement and infrared gameplay;
- I agree this waiver applies to all Activities undertaken by me during my visit;
- I understand that a new waiver is required for every visit;
- the information and declarations I provide are accurate to the best of my knowledge;
- if I participate, I have read and will comply with the health and suitability requirements in Section 7 and will reconsider participation if my health or injury status changes before gameplay;
- I will follow all safety briefings, signs and staff instructions; and
- I understand that this waiver records risk awareness and personal responsibilities but does not remove statutory rights or excuse negligence.

PARTICIPANT DETAILS

Full name	_____
Date of birth	_____
Signature	_____
Date	_____

UNDER 18 - PARENT / PERSON WITH PARENTAL RESPONSIBILITY

Child's full name	_____
Child's date of birth	_____
Parent / person with parental responsibility	_____
Relationship to child	_____
Signature	_____
Date	_____
Optional emergency contact	Name: _____ Number: _____

For under-18s, the person signing confirms that they have parental responsibility for the child and that they have read and accepted the health and suitability requirements in Section 7 on the child's behalf.
